- Proficiently developing robust backends by utilizing top-tier frameworks.
- Expertise in PHP and Laravel for building scalable server-side solutions.
- Leveraging Node.js and JSP for dynamic and efficient backend development.
- Proficient use of ASP.NET to craft resilient and feature-rich backend architectures.

## Education

### BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Uka Tarsadia University  
Bardoli - Surat  
2020-2023

At Uka Tarsadia University, I cultivated a strong foundation in programming, honed algorithmic expertise, mastered Data Structures and Algorithms (DSA), and developed a proficiency in logical reasoning. Additionally, I acquired a comprehensive set of professional skills that contribute to my overall competency in the field.

### HIGHER SECONDARY CERTIFICATE [SCIENCE - PCM]

The Radiant International School  
Surat  
2018-2020

At The Radiant International School, I pursued a science-focused curriculum, cultivating advanced skills in logic building, problem-solving, and various other critical competencies. This educational experience has equipped me with a solid foundation for analytical thinking and problem resolution.
